

"Thank you for being there for me! Just knowing there was an organization out there willing to help and lend an ear lifted my spirits! Your assistance with the mortgage payments lifted a huge burden off our shoulders. Thank you!"

-- 2017 Orange County Client

Greetings!,

In the first quarter of 2017, we provided services to 94 clients, putting us on track to serve 300 total clients this year in Orange, Riverside and San Bernardino Counties. Every day, our volunteers and staff work with clients who are at risk for delaying, stopping or being denied treatment because of reduced or eliminated income combined with increased expenses directly resulting from the onset of breast cancer treatment. Our clients' stories are powerful reminders that financial distress is a significant barrier to accessing necessary life-saving treatment.

To help our clients, we embarked on an online campaign last month and **raised nearly \$5,000!** On behalf of our board, volunteers, clients and staff, we are honored and humbled by your support.

Thank you for your continued partnership and belief in our mission. We look forward to seeing you at an upcoming event!

*Warm regards,
Jennifer Anderson, Executive Director
Heather Gilbert, Board Chair*
